JACOB GALLUP,  
Elected Worthy Master

E. C. JEWETT,  
Retiring Worthy Master

## JACOB GALLUP WORTHY MASTER

Elected by Norwich Patrons of Husbandry—Worthy Master  
E. C. Jewett Closes Two Successful Terms—Has Class of 40 to Work in the Degrees.

Norwich grange, No. 172, Patrons of Husbandry, held its first December meeting on Wednesday evening in Pythian hall, which was the meeting for the election of officers and had an attendance of over 50 members interested in the choice for the next year. Worthy Master E. C. Jewett presided and the minutes were read by the secretary, Mrs. Nettie Fanning.

In the preliminary business of the meeting two applications were received and it was announced that at the next meeting will be held in the last week of the month when the third and fourth degrees will be worked and Charles A. Hagberg was in training for that meeting. There are about 40 who will be entitled to receive the degrees and it is expected that a special meeting will be held in the last week of the month when the third and fourth degrees will be worked on the class. As there are still more applications promised it was voted to hold a special meeting next Monday evening for the purpose of receiving applications only. This is to be held at the rooms of the County Improvement league where the degree team is to hold a rehearsal the same night.

The following were the officers elected: Worthy Master, Jacob Gallup; lecturer, Miss Helen B. Moore; secretary, Miss Ruth Breckenridge; treasurer, Edward Cook; chaplain, Woodbury O. Rogers; steward, Reuben P. Porter; assistant steward, E. M. Rogers; lady assistant, Miss Anna Lyman; Ceres, Mrs. Ambrose Sullivan; Pomona, Miss Anna Frank; Flora, Mrs. Nettie Fanning; members of executive committee, E. C. Jewett (3 years); A. A. Robinson (1 year).

Worthy Master Jewett is concluding a successful term of two successive years in the worthy master's chair during which Norwich grange has made a particularly large increase in membership, while its social and other features have been well maintained.

His successor, Jacob Gallup, is no stranger to the duties of the office of worthy master, having filled one term in that position with much success several years ago. He is looked upon among his fellow members as a worthy choice for the office to which he has been elected.

### RE-ELECTION OF OFFICERS

BY DIVISION 1, A. O. H.

President Michael J. Malone and Associates Returned to Their Stations.

The regular monthly meeting of Division 1, A. O. H., was held in Foresters' hall last Sunday at 2 p. m. and was largely attended and was presided over by the president, Michael J. Malone.

All the officers being present, the meeting opened in due form. Two applications for membership were accepted and placed on file.

Under the head of new business the election of officers for the ensuing year was as follows: President, Michael J. Malone; vice president, Michael J. Drayton, Jr.; recording secretary, Michael O'Connor; financial secretary, Daniel J. O'Neill; treasurer, Dennis J. Moran; sentinel, Roger Tighe; sergeant at arms, Patrick Barry.

The old board of officers was re-elected without contest, an indication that the members of the division were well satisfied with the way the business of the past year had been carried on.

His honor the mayor, Timothy C. Murphy, who was present, was called on by the president for a few remarks. He spoke at some length of the growth of the order in the United States and the state parade to be held at Middletown Aug. 22 and 23, 1916, concluding, he was warmly applauded.

Postmaster John P. Murphy, one of the oldest members of the division and estate president of the state for several years, spoke of the order in the early days of the '70s up to the present time, and was greeted with great applause.

Dr. E. J. Brophy also made a few brief remarks along the same lines and spoke to the members of contagious diseases that were quite prevalent among children. He also addressed the members to the always on the lookout when a child is first taken ill. He told of the first symptoms leading up to scarlet fever. By early attention to these the parents, he said, would be of great assistance to aiding the doctor.

## TO MAKE DANDRUFF QUICKLY VANISH

Try This Simple, Inexpensive Home Treatment

No one likes dandruff, but to get rid of it you must do more than wash your hair. The cause of dandruff lies not in the hair, but on the scalp and in the hair roots, and just as twice daily you use a germicidal tooth powder or cream to cleanse your teeth of germs, so you should use Parisian Sage twice daily to drive dandruff from your scalp, prevent its return, protect your hair from falling out and nourish its proper growth. Dandruff makes your hair fall out. Parisian Sage makes dandruff fall out and your hair stay in.

A delightfully perfumed hair and scalp treatment easily applied at home, very inexpensive and obtainable from Lee & Osgood Co. or at any drug or toilet counter.

### CHASTE WOMANHOOD

Revered Through Immaculate Conception Feast Services at St. Patrick's Church.

There were choice flowers, roses, carnations and delicate cyclamen, on the marble altar dedicated to the Blessed Virgin in St. Patrick's church Wednesday, the feast of the Immaculate Conception, and the vestments and altar hangings during the masses were changed from the penitential violet of Advent to those of pure white. The epistle read during the services was Prov. viii, 22-35, and the gospel was Luke 1-26, the latter narrating the visit of the Angel Gabriel and his salutation to Mary, "Hail, full of grace, the Lord is with thee; blessed art thou among women." The entire service accentuated the beauty of the service as the feast of the Immaculate Conception, and the vestments and altar hangings during the masses were changed from the penitential violet of Advent to those of pure white.

### PINOCHLE PLAYERS

## BEGIN HOT WATER DRINKING IF YOU DON'T FEEL RIGHT

Says glass of hot water with phosphate before breakfast washes out poisons.

If you wake up with a bad taste, bad breath and tongue is coated, if your head is dull or aching; if what you eat sours and forms gas and acid in stomach, or you are bilious, constipated, nervous, sallow and can't get feeding just right, begin inside bathing. Drink before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it. This will flush the poisons and toxins from stomach, liver, kidneys and bowels and cleanse, sweeten and purify the entire alimentary tract. Do your inside bathing immediately upon arising in the morning to wash out of the system all the previous day's poisonous waste, gases and sour bile before putting more food into the stomach.

To feel like young folks feel; like you felt before your blood, nerves and muscles became loaded with body impurities, get from your pharmacist a quarter pound of limestone phosphate which is inexpensive and almost tasteless, except for a scursh twinge which is not unpleasant.

Just as soap and hot water act on the skin, cleansing, sweetening and freshening, so hot water and limestone phosphate act on the stomach, liver, kidneys and bowels. Men and women who are usually constipated, bilious, headachy or have any stomach disorder should begin this inside bathing before breakfast. They are assured they will become real cranks on the subject shortly.
